Hi Micka and Jen,

I'll check if we have anything and get back to you. Either way, it would not be hard to draft another one.

Thanks,
George

Subject: data solicitation for original trash TMDL

Hi George,

Do you know (or have records) of whether DC solicited a call for data during the last Anacostia trash TMDL? We are not finding it in our records, but wanted to see whether it had been done. We are considering language to use for our data call and would potentially borrow from previous efforts. Please let us know (and be sure to include Jen in any response).

Thanks,
Micka
